

Panorama Recreation

When Panorama Recreation's renovated and expanded aquatic facility opens in late October, it will feature the highest and longest waterslide on southern Vancouver Island! Elevator access to the top platform will provide patrons with mobility issues an opportunity to participate in an exciting activity that they had only been able to watch in the past.

For more information on the aquatic centre project, please refer to http://www.crd.bc.ca/panorama/pool_expansion.htm

Peninsula Co-op is proud of our long-standing support of health and fitness in our community through annual support to the Panorama Recreation centre.
