peninsulaco-op.com

Peninsula Co-op originally started in 1977 by a small group of Saanich Peninsula residents with a vision and a strong belief in the principles upon which all co-ops are based. As we've grown and evolved, our collective roots now date back nearly 60 years, yet we remain a locally-focused co-op with more than 100,000 members.

A one-time \$27 investment gives you a lifetime membership and a rebate on your purchases.

Each year we distribute millions of dollars back in rebates to our member-owners.

Peninsula Co-op is proud to be involved in the communities where we do business.

We donate over half a million dollars each year to charities, youth groups, student scholarships and capital projects through our Community Support Program.

Referral Bonus Program

We like to reward member-owners for referring their friends and family to become Peninsula Co-op members.

- Refer a new member and receive a \$10 Co-op gift card.
- Refer a successful Home Heating autofill customer and receive a \$50 credit on your autofill account. (Some conditions apply).
- Refer a successful new employee and receive a \$50 Co-op gift card.
